

NEW!!! Now the Extendable Magnetic Flashlight is even better!

- The **New EMF-2** includes an **innovative inspection mirror** that connects magnetically to the lighted end of the EMF and easily adjusts to any angle.
- A **handy pocket clip** keeps your EMF-2 where you need it when you need it!
- The grip end of the EMF-2 has a new **extra powerful magnet** that holds it securely, even to a vertical surface.

An excellent gift choice for:
D.I.Y.ers
Repairmen
Contractors
Mechanics
Artists/Crafters
